

LIVINGWELL PREMIER NETBALL LEAGUE

AGM

13TH SEPTEMBER 2005

Present: Tangos, Hegartys (now TCH), Saracens, Emap, Nants, Flyers, Aspen, Vogul (now Botolph), Topaz, VSL, Runners, Perkins

Apologies: Printaid, HSSS, Papas

1 Fees were collected from all teams present with the exception of Emap who had made arrangements with the committee.

2 VSL asked if the men could be allowed to play in all positions this season as they are allowed at other tournaments that they attend. With this said they will only be able to play 1 man in each third so it means that only one man in each circle. It was agreed that we would trial this during the 2nd half of the season but only in division 1 to start with to see how things go first. A review of the situation will be made at next years AGM.

3 Players nails was mentioned and as always in this league it was up to the captains to ensure that all players have reasonable nails (short and smooth). It was decided that each case would be judged on its own right. So please ensure this rule is stuck to so that the committee and umpires do not have to make these decisions for you.

4 Mark Dutton from VSL was voted onto the committee as vice chairman. Nominated by Jude seconded by Dawn.

5 All cancellations to be rang through to Dawn and not the sports centre so that we can cancel the other team and the sports centre. This is so that we can organise payment of the courts on the night if they are not cancelled in time. Thursday games need to be cancelled by Tuesday lunch time and Sunday games to be cancelled by Thursday lunch time to avoid costs of the court. If you cancel a game your team will be responsible for the whole court which at present is Twenty pound.

GOOD LUCK TO ALL TEAMS FOR THE COMING SEASON
